# Welcome!

March 2012

Dear Bay Community and Friends,

Welcome to Bay Splash 2012 *The Big Easy!* a festive and friendly celebration of our distinctive school community.

As we proudly celebrate our 7th annual Bay Splash event, and our 5th graduating class, I continue to marvel at the resourcefulness and willingness of our community to contribute so unselfishly to our success. Proceeds from The Big Easy will augment our academic programs and sustain broad access to a Bay School education through the Tuition Assistance program. Thanks to you, Bay Splash 2012 will directly benefit every student in the school.

At the Bay School, we strive to create a place where young people can discover their greatest instincts and feel free to explore new ideas in new ways. Not surprisingly, we'll be exploring some new features and opportunities at Bay Splash 2012 as well. The Splash Raffle is a big one, because every raffle ticket has equal odds of being the lucky one that gets drawn. And, if the bartenders mixing up your Hurricane look familiar, it's because they are parents of Bay's freshman class.

Our extraordinary team of Splash leaders and volunteers has worked long and hard to produce this important event. Please join me in acknowledging their dedication and unselfish work on our behalf.

So, relax and stroll through New Orleans. Enjoy and bid high and often on the many fun and unique offerings in the Splash silent auction. Take a chance and buy a raffle ticket, or two. Give with all your heart during our Fund-a-Need. And most importantly, revel in the music and regional cuisine of The Big Easy with old and new friends — all under the twilight canopy at the Bay School.

I'll see you there!

Timothy Johnson  
Head of School

**Bid Numbers:** Use only the bid number assigned to you for bidding on silent auction items and in the live Fund-a-Need. The Silent Auction opens at 6:00 PM and closes at 9:45 PM, with a 45-minute suspension during the Fund-a-Need portion of the evening.

**Silent Auction Bidding:** To place a bid, sign your name and your bid number with your bid amount on the bid sheet adjacent to the item. The minimum bid and minimum bid "raise" for each item is written on the bid sheet next to the item. To be valid, bids must comply with these minimums or maximums, and be legible. **Auction Items:** The Auction Committee reserves the right to add any silent auction item at any time without notice before the actual sale. In the event of a dispute, the Auction Committee shall act as final authority in determining the winning bid or the fair resolution of auction items.

**Express Pay:** As a convenience to bidders, the Bay School will offer special "Express Pay" terminals at the event registration. This allows bidders to "pre-register" their credit cards with their assigned bid number. This system will save bidders time so that their items with purchase receipts can be easily mailed. Larger items can be pre-packaged for express pre-paid pick up from the Bay School. For this service, the Bay School utilizes the Greater Giving Software which is a protected highly secure certified website. Visa, MasterCard, American Express credit cards are accepted.

# When the Saints Go Marching In

We are trav'ling in the footsteps  
Of those who've gone before,  
And we'll all be reunited,  
On a new and sunlit shore,

Oh, when the saints go marching in  
Oh, when the saints go marching in  
Lord, how I want to be in that number  
When the saints go marching in

And when the sun refuse to shine  
And when the sun refuse to shine  
Lord, how I want to be in that number  
When the sun refuse to shine

And when the moon turns red with blood  
And when the moon turns red with blood  
Lord, how I want to be in that number  
When the moon turns red with blood

Oh, when the trumpet sounds its call  
Oh, when the trumpet sounds its call  
Lord, how I want to be in that number  
When the trumpet sounds its call

Some say this world of trouble,  
Is the only one we need,  
But I'm waiting for that morning,  
When the new world is revealed.

Oh When the new world is revealed  
Oh When the new world is revealed  
Lord, how I want to be in that number  
When the new world is revealed

Oh, when the saints go marching in  
Oh, when the saints go marching in  
Lord, how I want to be in that number  
When the saints go marching in

**"Somewhere between Preservation Hall  
and the Superdome, between voodoo and  
cybernetics, New Orleans listens eagerly  
to the seductive promises of the future  
but keeps at least one foot firmly planted  
in its history, and in the end, conforms,  
like an artist, not to the world but to its  
own inner being - ever mindful of its  
personal style."**
